

**2009 JUNIOR JUDGING SCHOOL
BEAVER-LAWRENCE COUNTIES HOSTS
CHRIS LAHMERS – TEACHER
JULY 9-10, 2009**

Chris Lahmers, School Instructor, encouraged discussion with the group about all aspects of judging cows. Chris was well received by all in attendance.

The group as we finished up our school in Lawrence County. A small but energetic group placed 12 classes and worked on reasons and public speaking during our 24 hours together.

How did you place them? We had good discussion during classes on placing and keys points to discuss on each class.

Evaluating a class of 4 Year Olds at Lawrence-Haven Holsteins, good opportunity for the younger judges to see a lot of "cow parts" and points of discussion.

Martinholm Holstein's heifer barn was an excellent location to judge 5 classes. We were out of the sun and had a nice breeze through the barn!

Good food is always a must at Junior activities. A lot of ice cream, milk and tea were available during the entire school. Everyone enjoyed the fine hospitality of the Beaver/Lawrence Club!
